

EXCELSIOR

THE YEAR OF CAMELIDS August 2024

MULTIFARIOUS GROWTH

Academically speaking, conducting a few selected competitive exams at the school level offers numerous benefits for students. It fosters a healthy competitive spirit, encouraging students to strive for excellence and push their boundaries. These exams help identify and nurture talented students, providing them with opportunities to showcase their skills and knowledge. By participating in a limited number of exams, students can focus their efforts, manage their time effectively, and reduce stress. Moreover, it enables teachers to track student progress, identify areas of improvement, and provide targeted support. Overall, a few curated competitive exams at the school level can help students develop essential skills like critical thinking, problem-solving, and teamwork, preparing them for future academic and professional success.

"Adopting an annual theme in school provides a unified focus, fostering a sense of purpose and identity among students, teachers, and staff. By centring the year around camelids, we create an immersive learning experience that enhances interdisciplinary connections, encourages and fosters a sense of wonder and curiosity, builds a strong school culture, and promotes core values. This approach makes learning more engaging, memorable, and meaningful, ultimately shaping the mind.

On June 14th, we proudly honored our shining stars at the Felicitation Ceremony for their outstanding performance in the 2024 ICSE exams. This joyous occasion brought together our scholars, their families, and our school community to celebrate their remarkable achievements.

With immense pride and joy, we announce our school's remarkable debut in the CISCE sports arena, thanks to the outstanding achievements of our talented students! Anaya Neet's impressive win of a prestigious Silver Medal at the Zonal Level Taekwondo Competition marks a milestone for our school.

We are equally thrilled to celebrate Ananya Gowalkar's exceptional performance at GYMQUINN 2024 in Hyderabad, where she won 3 Gold medals and 1 Silver medal in gymnastics, showcasing her remarkable skill and dedication.

Additionally, Asriyah Kureshi's impressive haul of 1 Gold medal, 1 Silver medal, and the coveted karate kumite Championship prize at the Nashik WFSKO Open karate Championship is a testament to her hard work and passion.

These achievements demonstrate our school's commitment to fostering our students' talents and providing opportunities for them to excel in various fields. We extend our heartiest congratulations to our champions and wish them continued success in their future endeavors!

Let's keep shining and making our school proud!"

Reading Day

June 19th is celebrated as Reading Day in India. It is observed to commemorate the death anniversary of P.N. Panicker, a renowned Indian librarian and educator who played a crucial role in promoting literacy and reading habits in Kerala. He dedicated his life to spreading education and literacy. To honour his legacy and contributions " A Reading Day was organised on 20th June 2024 in the campus which was a resounding success, filling the hearts of both teachers and students with joy and enthusiasm. By encouraging students to read we aimed to instil in them a lifelong love for learning. Reading is indeed a magical journey that unlocks the wonders of knowledge, hidden within the pages of a book.

Poster Making

"On April 8th, a Poster Making Competition was held for students from Grade I to X, aiming to spark their creativity and artistic expression while highlighting the significance of camelids. Camels, often referred to as 'ships of the desert,' play a vital role in maintaining the ecological balance of arid regions and are a crucial part of many desert cultures. The theme, "Years of Camelids," inspired students to think innovatively about these incredible creatures. Divided into three categories - Grade 1-2, Grade 3-5, and Grade 6-10 - participants were challenged to create posters showcasing "The Healthy Food for Healthy Camelids," emphasizing the importance of proper nutrition for these magnificent animals. With great enthusiasm, students unleashed their imagination and talent, making it an excellent opportunity for them to display their creative skills while learning about the importance of camel conservation. The competition ignited a sense of inventiveness among the students, encouraging them to think outside the box, explore their artistic potential, and develop a deeper appreciation for these incredible desert dwellers."

International Yoga Day

On June 21st, our school commemorated International Yoga Day with great enthusiasm. We were fortunate to have expert trainers from Ghantali Mitra Mandal, Thane, lead interactive Yoga sessions for our students. Each session, lasting approximately one hour, introduced students to a variety of sitting and standing asanas.

The trainers emphasized the significance of International Yoga Day, highlighting yoga's role in cultivating a harmonious balance between the mind and body. Students were encouraged to incorporate yoga into their daily routine, embracing its spiritual discipline and numerous benefits.

Through this celebration, our school community came together to appreciate the value of yoga in promoting physical, mental, and emotional well-being."

Guru Purnima

"On the auspicious occasion of Guru Purnima, a handwriting competition was organized for students from Grade I to X, celebrating the significance of Gurus as sources of wisdom, guidance, inspiration, and spiritual growth. Good handwriting, like the wisdom of a Guru, is a valuable asset that enhances communication, creativity, and self-expression. It fosters focus, discipline, and attention to detail, leading to academic excellence and personal growth.

Students were divided into three groups - Grade 1-2, Grade 3-5, and Grade 6-10 - and were provided with Sanskrit shlokas highlighting the importance of a Guru. This competition provided a platform for students to showcase their beautiful handwriting. By emphasizing good handwriting, we aim to cultivate clear communication, creativity, and self-expression.

Just as a Guru guides us on our path to enlightenment, good handwriting guides us in expressing our thoughts and ideas with clarity and precision."

Eye Checkup Camp

"On August 1st, our school hosted a comprehensive Eye Checkup Camp, conducted by the Shree Ramakrishnan Netralaya Organisation, catering to students from Grade 1 to 10, as well as teachers. This initiative aimed to raise awareness about eye health and provide personalized guidance on vision improvement.

Through a series of tests, participants gained valuable insights into their eyesight, enabling them to take proactive steps towards enhancing their visual well-being. While some students were found to have normal vision, others with weaker eyesight received recommendations to consult their ophthalmologists for further guidance.

The camp proved to be a resounding success, benefiting numerous students and emphasizing the significance of regular eye check-ups. By prioritizing eye health, our school community took a crucial step towards maintaining overall wellness."

Inter house Football Tournament

"On August 2nd, 2024, our school hosted an exciting inter-house football tournament, featuring separate teams for boys and girls. Each match consisted of two halves, lasting around 5-6 minutes. The students showcased their enthusiasm, teamwork, and sportsmanship, making the event a resounding success.

The thrilling finals saw Topaz house emerge victorious against Ruby house in the boys' category and against Sapphire house in the girls' category. The winning teams were announced to the house captains, and the results were met with cheers and applause.

Beyond the thrill of competition, the tournament taught our students valuable lessons about the true spirit of sportsmanship. They learned that winning or losing is not the only outcome, but rather the opportunity to develop essential life skills, knowledge, and attitudes that foster a lifelong love for learning and participation.

DYDWS DADS LEAGUE

"The stage was set for an electrifying showdown at the D.Y.D Dad's League tournament, held on July 13th, 2024, at DYD World School. Six teams and one superstar team, MSPM Legend, who joined the semi-finals, battled it out for cricketing glory. The excitement began with a ceremonial inauguration by esteemed guests Mr. Rajesh Dode, MSPM Secretary, and Dr. Piyush Dhara Saran, Principal.

Dhawal Rukhana and Aarush Naik brought the game to life with their lively commentary, while Mounisha Singh and Sharvi Subash expertly managed the scoreboard. The competition was fierce, with each team giving their all, culminating in a thrilling finale between DYD Paltan and DYD Titan. In the end, DYD Paltan emerged victorious, claiming the top spot.

The DYD Dads League was more than just a cricket tournament - it was a celebration of community spirit, bringing together fathers and family members for a day of competitive and spirited cricket. The event showcased not only the cricketing talent of fathers but also their commitment to community.

The tournament was a resounding success, setting a positive tone for future community sports events. Kudos to all the dads who played with passion and enthusiasm, making the event an unforgettable experience!"
